

REACH | RoHS | Prop 65 Compliance Declaration

April 3, 2024

Dear Customer,

This declaration is an official company release confirming that to the best of our knowledge and based on information provided by our raw material suppliers, the Porex Parts 4903, 4913 and 4920 supplied to you meet the requirements below and are not expected to be present above the allowed threshold noted by the following declarations:

1. Declarations for the EU RoHS 10 Substances Amendment Directive (EU) 2015/863: Amendment to EU RoHS 3 Directive adding four specific phthalate substances that are restricted above a specific threshold July 2019 (Legal Reference: Directive 2011/65/EU and (EU) 2015/863).

2. Declaration of Management Methods for the Restriction of the Use of Hazardous Substances in Electrical and Electronic Products Compliance: The "Management Methods for the Restriction of the Use of Hazardous Substances in Electrical and Electronic Products" ("Management Methods") requires identification and marking of products containing six specific substances above an identified threshold. For Electronic and Electrical Products (EEPs) placed on the market in China, the identification includes a table disclosing toxic or hazardous substances contained in a product, as well as EFUP (Environment-Friendly Use Period) marking that indicates the years the product is environmentally friendly before the substances may be compromised (Legal Reference: SJ/T 11364-2014: Marking for the Restricted Use of Hazardous Substances in Electronic and Electrical Products). The part(s)/product(s) in this declaration which do and which do not contain any of the below substances above the maximum concentration values identified in "Management Methods" and "Requirements for Concentration Limits for Certain Hazardous Substances in Electronic and Electrical Products" (GB/T 26572-2011). **Quantity limit: 0.1 % of weight (1000ppm) of any homogeneous material:** Cadmium (Cd) and its compounds: 0.01% | Mercury and its compounds: 0.1% | Lead (Pb) and its compounds: 0.1% | Hexavalent Chromium (Cr6+) and its compounds: 0.1% | Polybrominated Biphenyls (PBB): 0.1 %; | Polybrominated Diphenyl Ethers (PBDE): 0.1 %

3. Declarations for the Most Recent REACH SVHC: Annex XIV candidate chemicals proposed to be Substances of Very High Concern (List as of January 23, 2024) above the 0.1 % threshold as stated in REACH (Article 57, Regulation No. 1907/2006) and determined through non-use of the substances.

4. Declarations for California Proposition 65: No substances listed on the California Safe Drinking Water & Toxic Enforcement Act of 1986 (CA Prop 65) list of January 2023 are contained in the product.

5. TSCA RESTRICTED SUBSTANCES DECLARATION

The United States Toxic Substances Control Act (TSCA) is a federal chemicals management regulation. Under TSCA Section 6, certain substances and substance families (including treated articles containing these substances) are restricted from distribution in U.S. commerce, including: Asbestos | Lead, when used in paint | Polychlorinated biphenyls (PCBs) | Dioxins | Chlorofluorocarbons (CFCs, ozone-depleting substances) | Metallic mercury when used in consumer products | Formaldehyde when used in composite wood products | Nitrites, when used in certain cutting fluids | Hexavalent chromium compounds when used in water treatment | Five Persistent, Bioaccumulative, and Toxic substances restricted in 2021: PIP 3:1 (CAS 68937-41-7); DecaBDE (CAS 1163-19-5); 2,4,6 TTBP (CAS 732-26-3); HCB (CAS 87-68-3); PCTP (CAS 133-49-3)

Independent from this confirmation, it is the responsibility of the product user to fulfill all necessary legal and regulatory requirements for its intended use.
