Pete Ross
Ark-Plas Products
165 Industry Lane
Flippin, AR 72634

Dear Pete,

The stainless steel wire mesh TWP Inc. supplies may be used to produce products per ROHS 3 Directive 2015/863/EU.

Lead, cadmium, mercury, polybrominated biphenyls and polybrominated diphenyl esters are not introduced in the stainless steel that TWP Inc. supplies to you.

Sincerely,

Colleen Romero
President, TWP Inc.
