**Presence of PFAS substance for
Part D1500, 19-0408-2 and D1600, 19-0408-1**

December 7, 2023

Dear Brandon,

Roettele Industries, Inc. has conducted a review of material used to make part 19-0408-2 and 19-0408-1 for presence of PFAS substance. We have determined that to the best of our knowledge, the raw materials and manufacturing processes to manufacture these products, do not contain polyfluoroalkyl substances (PFAS).

We provide this information based on the best information we have on our raw materials and the information available to us by our raw materials suppliers.

Feel free to call me at 909-606-8252 if you have any questions about this matter.

Sincerely,

Lance Roettele
