Marina Palmisano
Senior Representative, Quality/Regulatory Compliance
Marina.Palmisano@Formerra.com

As of the date listed on this document, INV Polypropylene, LLC (INVISTA Polypropylene) does not believe any of the substances in REACH Annex XIV or XVII are present in our polypropylene product P4C5Z-027 at >0.1%w/w. Annex XVII provides restrictions on quantities and specific uses of a substance, it is the users responsibility to determine if their product meets the requirements of this regulation.

Please note that we have not specifically tested for all of these substances in P4C5Z-027 and supplier product information has not been verified by testing. Our determination regarding Annex XVII listed substances is based on supplier information and knowledge of the production processes for this product. INVISTA Polypropylene strongly recommends that each customer and/or end-user independently determine the suitability of INVISTA Polypropylene product(s) under actual conditions of processing and end-use.

Ultimately, customers must make their own determination that use of this product is safe, lawful, and technically suitable for their intended applications. If you have any other questions please contact me at (903) 239-5332 or blair.colby@invista.com

Regards,
