Dear Customer,

This letter is in response to your request for information regarding the below listed product, as supplied by Trinseo LLC or its affiliates.

- CALIBRETM MEGARADTM 2081-15 FC030105 Transparent Polycarbonate Resin

Substances of Very High Concern (SVHC) for REACH

We are pleased to confirm that the product listed above does not contain any of the Substances of Very High Concern (SVHC) listed on the most current candidate list published 7 November, 2024 on the ECHA website <http://echa.europa.eu/web/guest/candidate-list-table> above the reportable limits (0.1 % wt) based on composition information for the raw materials.

SCIP

The above mentioned product does not contain SVHC substances $\geq 0,1$ %, therefore a SCIP notification for an article produced from our resins (as sold by Trinseo) is not required.

Annex XIV of Regulation (EC) n° 1907/2006 REACH

The above mentioned product in the form as supplied by Trinseo does not contain substances listed at Annex XIV of Regulation (EC) n° 1907/2006 REACH; last amended 20 November 2023.

Animal Derived Components

To the best of our knowledge, the above mentioned product is not intentionally manufactured or formulated with ingredients of animal origin.

PFAS

Based on the current raw material composition information, the above mentioned product is not known to contain Perfluoroalkyl and Polyfluoroalkyl Substances (PFAS), which are defined as any substance that contains at least one fully fluorinated methyl (CF₃-) or methylene (-CF₂-) carbon atom (without any H/Cl/Br/I attached to it).

Since these substances are not expected to be present, please be advised that we do not routinely analyze our materials for these substances.

MCCP

To the best of our knowledge, the above mentioned product is not intentionally manufactured or formulated with the substances listed below:

- Medium-chain chlorinated paraffins (MCCP)

If you have any additional questions or comments, please feel free to contact me.

Sincerely,

Bruce Gutzmann
