Dear James Wagner

This letter is in response to your request for a declaration of BPA, PCA, & PCB status of the subject product.

We are happy to inform you that our products are not manufactured using BPA, PCA, or PCB. We do not intentionally use these substances and our raw material suppliers have confirmed that they do not add these substances. In addition, our products do not come into contact with equipment which may contact any of these substances.

Feel free to call me at 909-606-8252 if you have any questions about this matter.

Sincerely,

Lance Roettele
