REFERENCE: Rare Earth Elements (REE)

This letter is in response to your request for INV Polypropylene, LLC (INVISTA Polypropylene) to provide you with information as it relates to the polypropylene product P4C5Z-027.

INVISTA Polypropylene does not intentionally use rare earth elements (REE's: La, Ce, Pr, Nd, Pm, Sm, Eu, Gd, Tb, Dy, Ho, Er, Tm, Yb, Lu, Sc, and Y) in the formulation of P4C5Z-027. INVISTA Polypropylene does not test each raw material or product we produce for trace amounts of the mentioned elements.

Ultimately, customers must make their own determination that use of this product is safe, lawful, and technically suitable for their intended applications. If you have any other questions please contact me at (903) 239-5332 or blair.colby@invista.com.

Regards,

A handwritten signature in black ink that reads "Blair Colby". The signature is written in a cursive, flowing style.
